Advokat, Partner

Hovslagargatan 5B, 111 48 Stockholm
t +46 8 505 646 41 | m + 46 733 58 13 70

mmunk@kilpatrick.se

Marcus Munk concentrates his practice primarily on construction and consultant law and dispute resolution. Marcus also works with real estate law and transactions, and has extensive experience in assisting property owners, construction companies, consultants, and other companies, as well as organizations and agencies with ongoing advice in current real estate projects. Marcus is recommended by the ranking institute The Legal 500 (EMEA 2025).

Marcus has broad experience handling extensive infrastructure projects within tunnel, railway, and road construction, including the preparation and review of agreements. He also represents clients before the General Court and in arbitration proceedings. He also holds courses in construction and consultant law.

Experience:

- Counsels large construction disputes and in general litigation.
- Reviews and prepares contracts and other contract documents.
- Advises on current construction law issues in ongoing projects.
- Advises in real estate transactions.
- Assists in contract negotiations.
