Mattias Wittgren brings extensive experience in business law, where he provides specialized advice on real estate-related issues, particularly for complex construction and ongoing property projects. Mattias' practice involves dealing with complex issues in major construction projects, including issues relating to contractor responsibility and working conditions; contract drafting and negotiations; and procurement of services. He also holds courses in contracting and consultancy law. Mattias is ranked in the most prestigious category, Hall of Fame, by The Legal 500 (EMEA 2026).

Mattias assists clients with ongoing legal review of tender documents, while providing general advice on LOU in collaboration with other firm partners. Mattias has also acted as a processing agent in a number of very large disputes in both public court and arbitration.
